

Darke Soil & Water Conservation District

2019 Affiliate Membership

What is an Affiliate Member?

Individuals, families, businesses or groups who provide much needed funding to help the District offer technical guidance, education and programs focused on conservation needs in Darke county.

Why become an Affiliate Member?

While Darke SWCD is a political subdivision of the State of Ohio, there is **no mandated public budget** for the District. Our conservation work depends on our ability to secure grants and funding from the Darke County Commissioners, City of Greenville, businesses and private citizens.

We are excited to announce the 1st Annual Conservation Day Camp for Darke county students in 2nd through 5th grade. This camp will be held on June 12th and 13th at Chenoweth Trails and will give kids the opportunity to get outside and learn about how their daily actions affect wildlife, water, soil and the people around them. The goal of this camp is to provide a fun, interactive and hands-on approach to learning about the environment.

Below is an opportunity to help support this educational event.

We appreciate your support for conservation education!

Membership Supports:

Adult Workshops
