

Attention Darke County High School and College Students!

Darke Soil & Water Conservation District (SWCD) is seeking responsible, energetic high school and college students to serve as counselors for our Annual Conservation Day Camp. We are looking for individuals who enjoy working with elementary school children, are good role models, and have a positive attitude and love the outdoors.

Serving as a camp counselor is a great opportunity to develop leadership, responsibility and teamwork skills. It is also a great way to build your leadership portfolio for future goals such as national honor society, 4-H Camp Counselor, Junior Fair Board member and applications for college, scholarship and jobs.

Some of the activities planned include: tree identification, bird feeder building, archery, fishing and much more.

Enclosed you will find a Camp Counselor Application and Responsibilities Form. Please read the information carefully and if you agree to uphold these responsibilities, complete the forms and return to Darke SWCD office. Applications are due by April 19th at 4:00pm.

If you have questions, please contact Elizabeth Farver at 937.548.1715 ext. 3 or via email at Elizabeth.farver@darkeswcd.com.

Sincerely,

Darke SWCD Staff
